This development is reimagining the traditional concept of a village and bringing it up to date to offer the perfect place for modern living, with a strong sense of community. The beautifully designed and constructed apartments, penthouses and townhouses are built around the Village Centre and set within a green, lush parkland. This gives residents a chance to connect with nature, while having everything they need on their doorstep.

We are enhancing this further by offering owners exclusive access to La Reserva Club's incredible sports facilities and The Beach – the private beach club and sports lagoon in the hills.
