Villa located in one of the best urbanizations on the Costa del Sol, in Guadalmina Baja. When we go to this property, we observe a unique environment within the urbanization itself, with all the details taken care of to the maximum.

The private access to the Villa leads us to a roundabout with a fountain, and to the left, we find a huge parking space with a capacity for 20 vehicles, in addition to the garage itself.

The Villa is located on a 4,000m² plot with its own well. In the gardens we find distinguished palm trees and numerous colorful plants, as well as of course the pool.

The distribution of the 1,500m² of the Villa is on two floors. On the first floor there is a unique entrance hall connected to a spectacular living room in its dimensions, and even a separate dining room, as well as a spacious room, all set with garden areas.
