Unique residential complex where you can relax and enjoy life to the fullest. Quality, nature, comfort and innovation are the principles that guide and inspire the design of 50 apartments divided into 3 construction phases.

Enjoy a prime location in the mountains of Mijas with the beaches of Fuengirola as a background.

- Located by nature: nature and tranquility, while at the same time providing the possibility to enjoy all kinds of services within a 10 minute radius by car.
- Outlined by nature: With the most desirable orientation on the Costa del Sol, south-west facing, the development offers exclusive 2 and 3 bedroom apartments. In the design of the buildings, the focus has been on privacy, incorporating hanging gardens that fall down the facade as a green-waterfall. This creates lush privacy walls and brings a total integration with the surroundings to the overall vision of the project.
