

359.000 €

Description:

New Development: Prices from 359,000 € to 890,000 €. [Beds: 2 - 3] [Baths: 1 - 2] [Built size: 83.00 m2 - 305.00 m2]

This new building project enjoys a perfect location, virtually at the doorstep to all amenities in Benalmadena. Here you will find various shops, restaurants and bars, parks, an aquarium, pharmacies, supermarkets, minigolf and training facilities, Benalmadena Puerto and the beautiful Santa Ana Beach; all within a short walking distance of 2.47 minutes from the apartments!

The project will be built according to Scandinavian standards, with qualities inviting you to enjoy your apartment all year round. The building itself will have a modern design with large terrasses and communal areas well suited for active families.

When designing this development, our goal was to optimize the space available and enhance the functionality of the apartments. Large terrasses with large, large sliding doors will seamlessly integrate the indoor- and outdoor areas, significantly increasing your feeling of space where indoor and outdoor living is united and becomes one.
