Design, Efficiency, and Privacy in Antequera

Specification and Equipment Update. New Build Development in Antequera. We present an exclusive project of only 6 contemporary villas in the Santa Catalina Urbanization, within the established Mirador de las Arquillas area. This project has been updated to offer maximum value and efficiency in today's market. The price now includes a fully equipped kitchen and a state-of-the-art aerothermal climate control system with a heat pump, guaranteeing maximum energy savings and superior thermal comfort throughout the year.

The layout of each home consists of 3 spacious bedrooms, 2 full bathrooms, and 2 additional guest toilets, as well as an independent laundry area and private parking. The outdoor spaces feature a private patio with its own swimming pool, designed to enjoy the local climate in total privacy. Its strategic location allows you to reach the historic center of Antequera in just 10 minutes on foot, while the AVE high-speed train
