Description:

Some homes impress with their setting. Others with their design. This remarkable contemporary villa brings both together, with an uncompromising approach to quality that can be appreciated in every detail.

Set on a 1,640 m2 plot in the natural surroundings of La Cala Golf, the villa offers 765 m2 of beautifully crafted living space distributed across three levels. Its architecture has been conceived around generous proportions, natural light and a seamless relationship between the interior and the surrounding landscape.

The main floor opens towards the terraces, landscaped garden and infinity pool through expansive floor-to-ceiling glazing, allowing the views to become part of the living spaces. The large independent kitchen, centred around a substantial island and fitted with premium Gaggenau appliances, reflects the same focus on design, functionality and quality found throughout the home.

The villa comprises four bedroom suites, three of them on the upper floor, including a spacious principal suite with extensive fitted wardrobes and a
