This development is a small and exclusive collection of five brand-new villas, set on one of the most peaceful residential streets in San Pedro de Alcántara. With only five homes in the development, privacy and a real sense of individuality come as standard.

Each villa has its own private garden, pool, and generous terrace space, all finished to a very high standard. The design is clean and contemporary, with large windows that bring in plenty of light and open naturally onto the outdoor areas.

Good materials, smart layouts, and genuine attention to detail—these are homes built to be lived in and loved.
