Slow down. Live more.

This development of 77 apartments rises from the hills of Lobilla in Estepona, one of the Costa del Sol's most loved towns. Five sculpted blocks follow the natural curve of the hillside, each positioned for southern light and privacy, with the communal pool, padel court and gardens at the heart of the community. Depending on the residence, homes look out to the Mediterranean or towards the Sierra Bermeja.

The setting combines a hillside retreat with easy access to town. The beach is about 770 m away, Marbella and Sotogrande are around 25 minutes by car, and Málaga Airport is about 50 minutes away.

The homes. Choose from 2 and 3 bedroom residences. Every home is double or triple oriented for natural light, with open-plan living, panoramic glazing and a private terrace. Each has two bathrooms with walk-in showers and built-in wardrobes, plus a storeroom and an underground
